Random Moment Time Study

If selected to participate in the RMTS, you will receive an email from PCG with “State of Colorado Time Study” in the subject line.

After the moment has passed, use the instructions in the email to log-on the survey website and answer the questions. Please note the following in responding to the survey:

- Responses are crucial to secure additional revenue for health services in the district
- It should take less than 5 minutes to complete
- Must be completed within 120 hours from the assigned moment
- Answers should be thorough and accurate
- Describe any health-related activities from a health and safety standpoint
- Do not modify activities during the assigned moment
- Do not include identifying information, such as a student’s name
